6. Controller's Report: Action.....Mr. Krieg

- o Financial Status, Trends, Long-Term Views and Cashflow:

- **December 2016 and January 2017 Financials Will be Presented to the Committee:**

Mr. Krieg: Reviewed the December 2016 and the January 2017 Financials. The District's 50% share in the Mark Twain Medical Center Minority Interest showed a decrease for both months due operational losses and investments of the Medical Center. Year to date the Minority Interest has decreased by <\$461,552>.

Mr. Blitz: Will meet with Mr. Diehl to obtain information regarding the Stockton Cardiology lease.

When the District bought property (Nov 2015) in Valley Springs it included a single-family home and tenants who pay rent way under market value. The tenants are usually late in making their rent payment. Board members are concerned about the tenant's standard of living not being consistent with a healthy environment so a termination of lease was sent (certified mail) to the tenants. The tenants didn't respond so a local legal firm will be serving a 60-day notice.

Typically, budget talks start each March and the budget is ready for review in May. The Board can adjust the budget mid-year but typically they don't. Mr. Blitz will be working with Mr. Krieg and Mr. Malcoun to prepare a budget to bring to the Committee.

- **Discussion – Presentation of Utility Savings to the Board:**

Mr. Krieg: Explained how the reimbursement for the utilities is handled. Starting in Sept. 2016 the District exercised their option for MTMC to reimburse the District for all utilities except those billed by Calaveras Public Power Agency (CPPA). The District will continue to pay the CPPA utilities because their rate is much more favorable than that of the MTMC. A quarterly statement (reflecting Jul. - Dec. 2016) will be included in financials for the Feb. 22, 2017 Board pkt.

Mr. Mills, Calaveras Board of Supervisor: Is expecting the District will soon see a CPPA rate reduction.

7. Executive Director Report:

Mr. Blitz: Met with Chris Roberts, CFO. Then he met with Mr. Krieg who will be providing the VS Clinic budget figures (by next week). Once Mr. Blitz has those figures he'll prepare a proforma.

Mr. Blitz excused himself to attend another meeting.

- **Discussion – Consolidation of Propane Vendors:**

Mr. Krieg: Consolidating may have already started since Ed Gonzales was hired. He will discuss with Mr. Roberts and report back to the Committee.

Ms. Reed moved to recommend the Board approve the financials for Dec. 2016 and Jan. 2017. Ms. Radford provided her second and the motion passed 4-0.

8. Proposed Credit Card Policy: Action

- Review and Consider Draft Credit Card Policy:

Ms. Stout: The District went through a thorough review process to obtain Certification from the Association of California Healthcare Districts (ACHD). The Certification was presented to Ms. Reed and the Board at the Oct. 26, 2016 Board Meeting. In that process the District had to show full transparency. In addition, the District's policies were also reviewed by the District's legal firm. Upon further training, attended by Ms. Reed and Ms. Atkinson, it was determined the District should have a credit card policy. ACHD provided the sample credit card policy in the Committee pkt.

Mr. Krieg: Suggested the following be added to the policy: Each transaction is limited to \$5,000.00. Approval from the President or Treasurer will be necessary for any transaction exceeding this limit.

Ms. Reed moved to accept the credit card policy with the added language (above). Ms. Radford provided her second and the motion was approved 4-0.

9. Comment and Future Agenda Items:

Hearing none.
