# ACHD Advocate July 2022

#### What's New This Month:

- ACHD Meets with CHHS Secretary Mark Ghaly
- Advocacy Update: Final budget deal
- Annual Meeting Registration Open

# **CEO MESSAGE**

June was an incredibly busy month for ACHD. In addition to important advocacy work on priority bills and the state budget, ACHD met with California Health and Human Services (CHHS) Secretary Mark Ghaly. The purpose of the meeting was to share with the Secretary what healthcare districts are focused on in their communities, and to offer the association and its members as a resource to CHHS in the future. Secretary Ghaly was undoubtedly struck by the variety of

Cathy Martin
Chief Executive Officer

ways that healthcare districts serve their communities. He took a keen interest in the wide range of services provided by districts and made suggestions with regard to potential partnerships. While this meeting was ACHD's first with the Secretary, we believe it was an essential step in forging a future relationship with this important agency.

On the legislative front, the California State Legislature has recessed for summer break and will return to Sacramento on August 1st for the remainder of the session, which concludes August 31st. ACHD is pleased that our top opposed bills AB 2080 and SB 213 did not move forward. However, we are disappointed that the final state budget did not include seismic retrofit or rebuild funding for healthcare districts.

If you missed it, registration is open for <u>ACHD's 70th Annual Meeting:</u>
<u>Celebrating 70 Years Together</u>. Be sure to register early to take advantage of the

Early Bird Discount which expires on August 23<sup>rd</sup>. If you'd like to present a

district best practice at the event please <u>submit your proposal</u> by July

15<sup>th</sup>. ACHD is also seeking nominations for our <u>ACHD Annual Awards</u>, District of the Year, CEO of the Year, and Trustee of the Year.

On behalf of the entire ACHD team, we are very excited to be back together in person for **ACHD's 70**<sup>th</sup> **Anniversary!** We are working hard to bring you high-caliber content and speakers. We have much to celebrate and we look forward to seeing you in Anaheim.

Last Friday marked the beginning of the legislatures recess. They are recessed until August 1st, when they will return for the final stretch of the two year session.

#### **Budget:**

Prior to leaving for summer recess the legislature struck a "final" budget deal. For those interested, the bill housing stakeholder proposals is AB 178 and the bill housing health related proposals is AB 184. Two proposals of note were included in AB 184. The Office of Health Care Affordability which aims to comprehensively assess health care cost and delivery in California was included, as well as final language on the Governor's health care workers retention pay proposal. ACHD will continue to monitor these proposals as they go into effect. For those interested in more detailed information or outlines of both proposals please contact Sarah Bridge.

#### Bills:

- AB 2080 (Wood): ACHD's high priority oppose bill is dead for this session. The bill was pulled from Senate Health Committee by the author based on the Committee's proposed amendments.
- <u>SB 213(Cortese)</u>: Would have severely altered the workers' compensation system by creating a new presumptions for hospital workers including; musculoskeletal diseases, cancer, and COVID-19. The bill failed to receive a motion out of Assembly insurance committee and is dead for the session.
- <u>SB 958 (Limon):</u> Would have in specified circumstances, prohibited the practice known as "white bagging". ACHD was working to support this bill, however, it did fail to be set for a hearing in Assembly Health Committee.
- SB 1375 (Atkins): ACHD is working with a larger coalition to support SB 1375, which makes clarifying changes to AB 890 (Wood, 2020) which removed supervision requirements for NPs who meet

specified requirements. The bill did hit a snag as it moved out of Assembly Business & Professions Committee where it was suggested that the transition to practice requirement be moved from 3 to 5 years.

ACHD will be working over the summer recess on the remaining bills and will keep members apprised as the bills continue to move through the process.

# **Cost and Culture: Solving Healthcare's Workforce Crisis**

From escalating wage wars, to severe talent shortages, healthcare organizations are feeling the effects of the workforce crisis plaguing the industry. Nursing vacancies alone have risen 30% in some specialties, and turnover costs are trending upward of 150% of a position's annual salary. Leaders know this isn't sustainable, but many have yet to make real progress addressing the threats these challenges pose to their organizations. To balance short-term needs with long-term sustainability, organizations will need to focus on creating more stable cost structures and building a culture that puts employees at the center. #### **BACKGROUND:**

The May, 2022 Profit & Loss statement is attached for your review and approval.

- The May 2022 financial reports are attached for your review.
- May is the second of three months where we will be recording the COVID relief money that has been sitting on the Balance Sheet. This can be found in the VSHWC page in account #4083.92.
- Some great news, our 2<sup>nd</sup> property tax installment arrived in May and was just over \$500,000. With the "true-up" amount we will receive in late July or early August, we should exceed our budgeted amount by around \$50K.

Mark Twain Health Care District's (District) Investment Policy No. 22 describes the District's commitment to managing risk by selecting investment products based on safety, liquidity and yield. Per California Government Code Section 53600 et. seq., specifically section 53646 and section 53607, this investment report details all investment-related activity in the current period. District investable funds are currently invested in Umpqua Bank, Five Star Bank, and the CalTRUST investment pool, all of which meet those standards; the individual investment transactions of the CalTRUST Pool are not reportable under the government code. That being said, the District's Investment Policy remains a prudent investment course, and is in compliance with the "Prudent Investor's Policy" designed to protect public funds.

WHEREAS, Section 6509.7 of Title 1, Division 7, Chapter 5 of the California Government Code (the "Act") provides that, two or more public agencies that have the authority to invest funds in their treasuries may, by agreement, jointly exercise that common power; and

WHEREAS, the [NAME OF PUBLIC AGENCY] (the "Public Agency") is a public agency that has the authority to invest funds in its treasury and intends to become a "Founding Participant" under the Joint Exercise of Powers Agreement (the "JPA Agreement") creating the California Cooperative Liquid Assets Securities System ("California CLASS"), by executing the JPA Agreement; and

WHEREAS, the Public Agency desires to authorize the investment of its funds in the investment programs offered by the California CLASS [once the California CLASS has been formed];

NOW, THEREFORE, BE IT RESOLVED by the governing body of the Public Agency (the "Governing Body") as follows:

The Public Agency is hereby authorized to complete the registration form and become a Participant in order to purchase shares of beneficial interest issued by the California CLASS from time to time with available funds of the Public Agency, and to redeem some or all of those shares from time to time as such funds are needed.

Section 3. The Authorized Officer [or principal financial officer] of the Public Agency is hereby delegated authority of the Governing Body to take all actions and to make and execute any and all instruments, which he or she might deem necessary or appropriate in order to carry out the purposes of the Governing Body in adopting this Resolution.
