### **Effective - Mar 17, 2020.**

California Gov. Gavin Newsom issued [Executive Order \(N-29-20\)](#), which, in part, supersedes Paragraph 11 of Executive Order (N-25-20) issued on Thursday. The new Executive Order excuses a legislative body, under the Ralph M. Brown Act, from providing a physical location for the public to observe and comment if certain conditions are met. A physical location does not need to be provided if the legislative body:

1. Holds a meeting via teleconferencing and allows members of the public to observe and address the meeting telephonically or otherwise electronically;”
2. Implements a procedure for receiving and “swiftly resolving” requests for reasonable modification or accommodations from individuals with disabilities, consistent with the Americans with Disabilities Act, and resolving any doubt in favor of accessibility.
3. Gives advance notice of the public meeting and posts agendas according to the timeframes and procedures already prescribed by the Brown Act (i.e. 72 hours for regular meetings and 24 hours for special meetings) and
4. Gives notice of the means by which members of the public may observe the meeting and offer public comment, in each instance where notice or agendas are posted.
